Space & Naval Warfare Systems Center Awards Contract

SAN DIEGO -- Teknowledge Federal Systems, Inc. of Palo Alto, California is being awarded a \$12,051,215 cost-plus-fixed-fee contract for the integration, evaluation, demonstration and transfer of technologies being developed under the Quorum global distributed computer program and of selected technologies from related programs. Quorum is a component of the Next Generation Internet which is defining a revolutionary approach to network-based computing. The goal of the Quorum effort is to enable global distributed computing for military applications by addressing shortcomings in existing approaches. This contract contains one option which, if exercised, will bring the total cumulative value of the contract to \$24,761,574. Work will be performed in Palo Alto. The period of performance is from May 26, 1998, to September 26, 2001. Contract funds will not expire at the end of the current fiscal year. This contract was competitively solicited through the Commerce Business Daily, with 96 offers received. Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-98-D-8506).
